A COMMUNITY OF

GRACE

*Fair Havens
Community
Church*

To know Christ and to make Him known

OUR GOAL:

To know God and bring Him glory

OUR MISSION:

Phil 3:10, *'I want to know Christ and the power of His resurrection and the fellowship of sharing in His suffering, becoming like Him in His death.'*

As believers we seek to know God experientially. True knowledge of the living God is a thirst for Christ. Such knowledge must alter and change believers, their judgments and attitudes, and renew them daily, increment by increment in the image of Christ. We live out our lives in the power of His resurrection life, which is our life too by faith. The believer prefers Christ above all, knowing that it is better for us to be without all worldly riches, than without Christ and His Word. We are made conformable to Christ's death, when we die to sin, as He died for sin; and the world is crucified to us and we to the world, by the cross of Christ.
